<i>FFY 2021 Transit Element</i>						
RTD0009452: MWRTA - Mobility for All Project	New Project	New project; Funded with \$300,000 of FTA Mobility for All grant funds and \$75,000 of State Contract Assistance matching funds. MWRTA is exploring a new accessibility model with complementary technology for demand response services, expanding access to transportation options for seniors and individuals with disabilities within the MetroWest Region. This FTA award will support Coordinating Council on Access and Mobility agencies in providing transportation to their clients through partnerships with the MWRTA.	Section 5310: Enhanced Mobility for Seniors and Individuals with Disabilities	\$0	\$375,000	\$375,000
